LISA KNAUF OWEN
ASSISTANT DIRECTOR

Summer Internship Oklahoma Conservation Commission Water Quality Division

- LOCATION:** 2 positions in **Bristow**, Oklahoma.
- SALARY:** **\$10.00/hr**
- WORK HOURS:** 6:00 A.M. TO 4:30 P.M. Monday through Thursday. Hours may vary and may often extend past 4:30 P.M. Weekly overtime is occasionally necessary. Weekend work is avoided but possible.
- CLOSING DATE:** Friday, February 23, 2018
- EDUCATION:** A minimum of 48 hours towards the completion of a major or minor in the biological or environmental sciences is preferred.
- WORK OPPORTUNITIES:** **Streams** - Work will include the collection of water quality data using field meters; collection of water samples; collection of benthic macroinvertebrate samples; collection of fish using seines and backpack, pram and boat electrofishing gear; collection of stream habitat data. The successful applicant may also assist with equipment maintenance, data review, and data entry.
- WORK REQUIREMENTS:** Applicant must be willing to work in the field and office and be able to listen and follow instructions. Work often requires **strenuous** physical work in **extreme weather** conditions. Applicant must be willing and able to carry equipment for extended distances. Overnight travel may be necessary. Expenses (hotel) and per diem will be paid for overnight trips. Most importantly, the applicant must be reliable, have a good work ethic, and a desire to learn.
- WORK EXPERIENCE:** No experience required but is preferred.
- TIME FRAME:** Start date on or about May 14, 2018. End date of August 17, 2018 or start of fall semester. Both start and end dates may be negotiable.
- APPLYING:** Mail, email, or deliver a brief letter of interest, resume, and a transcript (unofficial is fine) to:
- Brooks Tramell
